

COVID Safe Face-to-Face Lessons at the Flute Tutor's Home

How the Lesson will take Place

It must be accepted that face-to-face tuition can never be entirely free of the risk of contracting COVID-19 but I have made all efforts to assess risks accurately, and taken steps to minimise risks where identified.

1. Please bring your own instrument, music, notebooks, and pencil to your lesson.
2. Please wear a facemask on arrival, (Primary school children and students with authorised exemption do not need to wear a face-covering)
3. On arrival you will be asked if you have any symptoms and your temperature will be taken.
4. If your temperature is high or you do not satisfy the “before coming to your lesson check list” the lesson will NOT go ahead
5. Hands will be sprayed with a dry touch sanitiser
6. Accompanying parents are to keep their facemask on during lessons.
7. **For music theory lessons** go through the first door on your Left and take the first available seat in front of the screen, place all your items on the table and organise yourself for your lesson. Once in position the teacher will enter, close the door and be seated on the opposite side of the screen
8. **Flute & recorder students** you take the first door on the right and walk to the far side of the room, in front of the windows. Your flute case and items can be placed on the wooden bench provided. Organise yourself for your lesson. A music stand will be ready for you to use. The teacher will then enter, close the door and be on the opposite side of the screen.
(For primary school recorder students, the screen will not be in position)
9. At the end of all lesson the teacher will open all doors.
10. If toilet facilities are required, the downstairs toilet will be available for use. A hand washing procedure will be on display in the room

[Photographs of the screens are on the website](#)

The full risk assessment document is available upon request

- There will be 15 mins either side of each face-to-face lesson for airing and disinfection of the used room(s).
- Ideally ONLY primary school children, or those needing assistance, to be accompanied during a lesson in-order to maintain good social distancing

Thank You
Catherine
